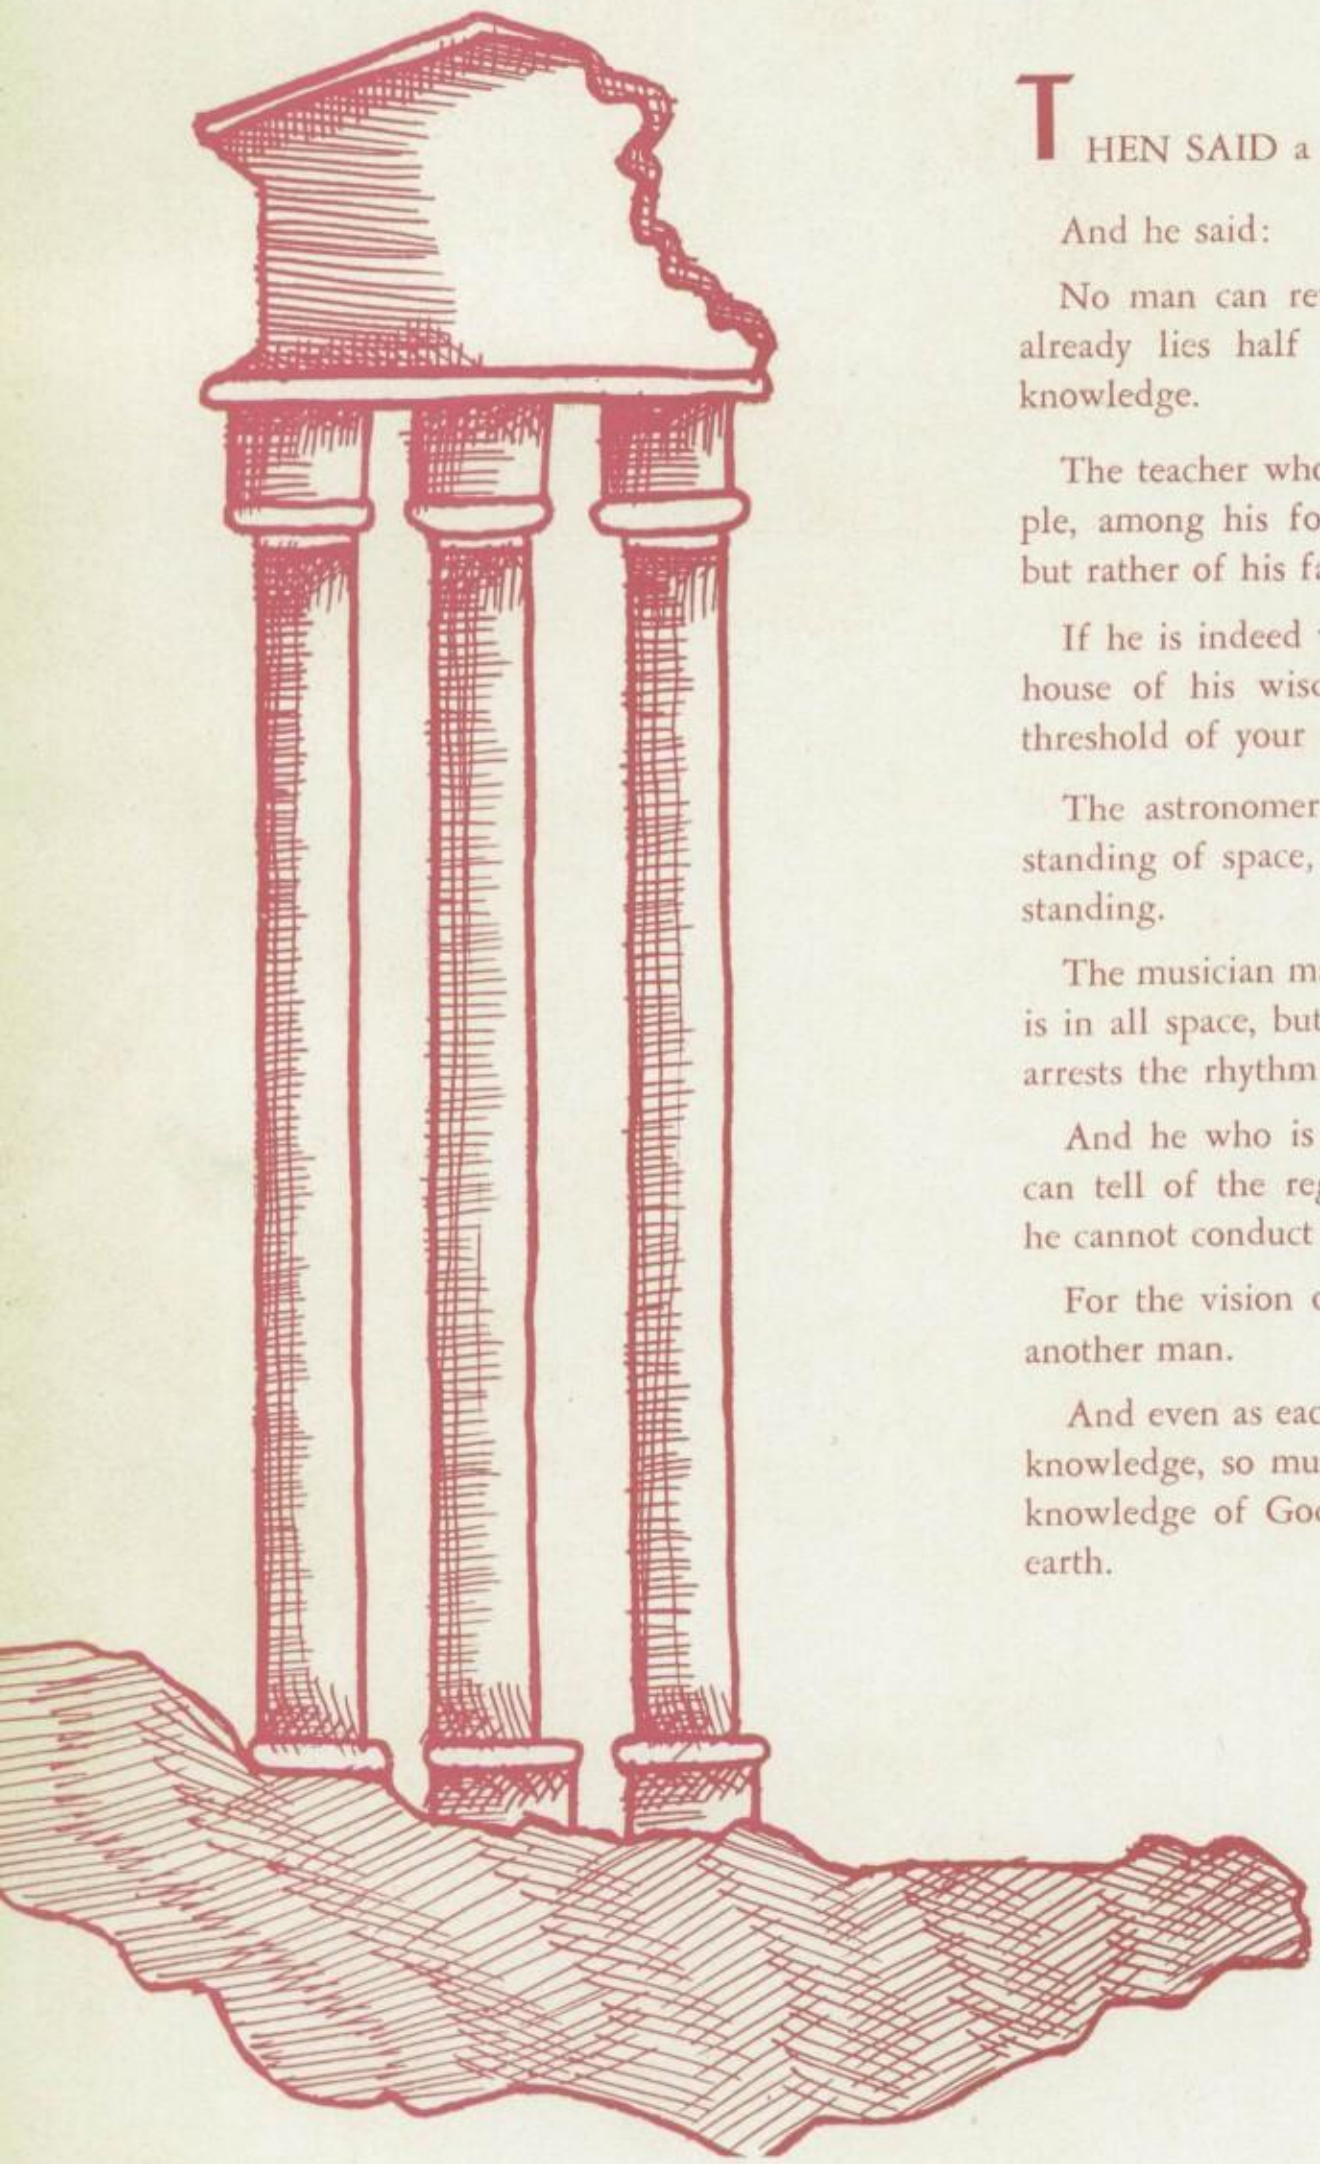
THIS SCHOOL YEAR of 1952-1953 saw many new things happen. For the first time in half a century, England was being ruled by a queen, Elizabeth II, and for the first time in our lives, we were living under a Republican administration. Dwight D. Eisenhower was elected president, but in our own campaigns at school, we chose Adlai Stevenson.

In the entertainment field, "I Love Lucy," with Lucille Ball, was the top television comedy show of the year. Marilyn Monroe was the favorite actress of every red-blooded American boy, and Dean Martin and Jerry Lewis were our favorite comedians. The top song of the year was "You Belong To Me," and the newest dance was the "Savoy." In sports, the Yankees won the World Series, and Alabama beat Syracuse in the Orange Bowl, 61-6. "My Autobiography," by Tallulah Bankhead was one of the best selling books, and in the field of religion, the Revised Standard Version of the Holy Bible was completed and published.

The war was still dragging on in Korea and the danger of war with Communist Russia had not lessened. Yet there were rays of hope shining in a darkened world.

However, in our annual, we shall not be concerned with the mountains of world problems, but we shall have a pleasant trip back through the memories of our year. Our guide will be the symbol of all that is Ensley High School, our little Yellow Jacket, Buzz.

DEDICATION



THEN SAID a teacher, Speak to us of teaching.

And he said:

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man lends not its wings to another man.

And even as each one of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and in his understanding of the earth.

Our PRINCIPAL

DR. EARL E. SECHRIEST

DURING the twenty-two years that Dr. Earl E. Sechriest has been our principal, Ensley High has grown from merely a school to an institution. With a faculty and a curriculum second to none, Dr. Sechriest has led us through these many years. He is, by his friendly cooperation, his training, and his experience, well fitted for the responsibility of guiding the affairs of our high school. We, the Seniors of Ensley High, will remember him always as a capable, earnest, and conscientious leader.

THE JACKET STAFF

"Gail, where are those football pictures?" "I don't know, but have you seen the faculty pictures?" "Don, do you have the type for page 40 yet?" "What color is the cover going to be?" "Katherine, how many annuals have we sold?" "Joan, do you have the ads ready?"

Troubles? Yes, a few.

But if you have as much fun looking at your Jacket as we have had working on the staff, then the time and work we gave to make this a bigger and better annual will have been well spent.

SENIOR PLAYERS

PLAYERS

Rising from a 0-8 record in 1950, Coach Dupuy's spirited Yellow Jackets had a wonderful record in 1952. We were second in the city's "Big Five," fifth in the state, Clinic Game participants for the first time since 1946, and we lost only to the first and second ranked teams in the state. Having an over-all 6-3-1 record, we are justly proud of our 1952 team.

MANAGERS

Preston Huddleston; Dick Fowler; Larry Mosely; Harry Watkins.

BASKETBALL

During our four years at Ensley, our basketball teams have consistently been tops. In 1950 we were undefeated and were state champions. In 1951 we were runner-up state champions. In 1952, we had a very good record; however, we lost out in the state tournaments. This year, although our team is very short and inexperienced, we are winning a great many of our games, due to the fine, hustling spirit of our team.

Apologies to Poetess Stein. A rose may be endlessly a rose; a job is more than just a job.

A job is a living.

So when you look for a job, you want security, good pay, assurance of raises and opportunity to advance.

Telephone girls find all these things and more in interesting and important jobs in a growing industry.

Why not come in and talk with us about a position at the Telephone Company?

THE TELEPHONE COMPANY IS A GOOD PLACE TO WORK
